Dear friend,

Jacob's Touch Foundation will host our annual charity golf tournament on Saturday, September 28, 2024 at the beautiful Westchase Golf Club. Our goal this year is to raise \$100,000. All proceeds from this event will help us further our mission to provide financial care and assistance through grants for therapy, medical and educational needs to families and nonprofit organizations supporting autistic and neurodiverse people.

Autism affects 1 in 36 children. Twenty years ago, this statistic was 1 in 150 children. 55-70% of Autistic children and young adults experience feelings of isolation and difficulty in establishing friendships. Autism does not just affect those diagnosed as 50% of parents and caregivers of children with Autism experience mental health challenges. Autism is considered the fastest growing serious developmental disability in the U.S. today and is now more common than multiple sclerosis, cystic fibrosis and childhood cancer.

Through the generosity of our sponsors, donors, grants, and event patrons, Jacob's Touch Foundation raised over \$70,000 to support Tampa Bay area families and organizations in 2023. These funds were awarded to families with an established need and assisted with payment for therapies, educational and medical costs. Grants were also awarded to local 501(c)(3) nonprofit organizations that support autistic and neurodiverse people.

How can you help? Please consider becoming a player, sponsor, silent auction donor or chance drawing prize donor of our event. The proceeds generated from our sponsors, silent auction, and chance drawing will contribute to our overall fundraising goal.

Thank you very much for your continued support of Jacob's Touch Foundation! If you have any questions, please contact us for additional information.

Sincerely,

Kimmie Cimino Fine
